IN-CLASS EXERCISE 5 .....

In personal expenses monitoring application, you want the app to alert the user under the following conditions for the current month.

- entertainment spending exceeds $500
- entertainment spending exceeds $300 and eating-out spending exceeds $250
- Entertainment spending exceeds $300 and transport spending exceeds $400

Code using nested-if else statements without using &&, ll.

Do it in Break-out Rooms and submit your code to LimuNUS->In-Class Exercise-5.
